## PRESIDENT'S MESSAGE

Dear Members:

May I express to our Tea Chairman, Linda Sidebottom and her committee our gratitude for the wonderful participation at our tea. Sarah Borden, Ruby Wright, and Kay Boswell, we welcome you to our chapter and we want you to participate fully to receive the benefits that are awaiting you. Please feel free to call me any time if I may assist you. A Procedure Manual has been given to each of you compliments of the chapter. Dora Walters is also a new member and we want to extend our "Hand of Friendship" to her. Also, we have qualified for the Special Tea Award by meeting our quota on prospective members present at our Tea.

Joyce and I had a wonderful time attending our District Meeting in Tampa. We will give you a full report at our April meeting.

May is scholarship month and also a very special event "Boss Night!" Let's all attend the April meeting and hear more!

Yours in ABWA,

Jean Fulkerson

## BOSSSES NIGHT

The date of Bosses Night has been set for May 19th at Western Hills Restaurant. The social will begin at 6:30 and dinner promptly served at 7:00.

The theme for the event will be HAWAIIAN LU-AU ABWA STYLE. We, the Boss Night Committee, thought it would be colorful if as many as possible came attired in moo-moos, surongs, or some type of Hawaiian garment. (Don't think this is a must and feel that a new outfit is necessary.)

Our speaker for the evening will be Judge Basil Griffin, a local attorney and County Judge. I'm sure Mr. Griffin will provide us with an interesting and informative talk.

Begin thinking now of all the nice things you know concerning your boss and we will explain the procedure for selecting our Boss of the Year for 1966. A beautiful trophy has been ordered and will be presented to - WHO KNOWS---it could be your boss!

Please make your reservations as early as possible and not later than May 16. Our reservation chairman is Gladys Walker, and since this responsibility is very time consuming, we can all help Gladys by getting our reservations in as soon as possible.

If you have any suggestions on how to make Bosses Night bigger and better - PLEASE - your contributions will be appreciated!

A complete report will be given at our April meeting, so please have your suggestions ready!

## MAY - - ABWA SCHOLARSHIP MONTH

Among the new optional qualifications for Banner Chapter award, is the observance by the chapter of May as ABWA SCHOLARSHIP MONTH. The November-December issue of WOMEN IN BUSINESS and the February issue carried information concerning this program. It was on May 11, 1953, that the first contribution was received to make the Stephen Bufton Memorial Educational Fund a reality. Since May is also the month when many students make plans for further schooling, it's the natural time for publicizing ABWA's scholarship program.

Scholarships may be awarded at any time; May is the meeting when you publicize what is being done. Ask a local educator to speak; have current and past scholarship recipients as your guests; if your plans permit, award a chapter scholarship or SBMEF award. Fulfill the Standard of Achievement qualification by a contribution to SBMEF of \$35.00, or better yet, insure the inscription of your chapter's name on the Donor's Plaque at National Headquarters by contributing an additional \$100.00 to the national scholarship fund. Make your chapter's first observance of ABWA SCHOLARSHIP MONTH one which will be remembered for years to come.

ABWA is an educational association; the May scholarship observance is the proof.

H. A. BUFTON, JR.  
EXECUTIVE DIRECTOR

NOTE: Candidates for scholarships will be presented at our April meeting and the chapter will select the recipients for 1966.

## REVIEW OF THE SOUTHEASTERN DISTRICT MEETING

by Mrs. Florence Barrett

The attendance was 656--the largest group ever to attend an ABWA District Meeting. Was it worthwhile? I think it was after hearing numerous members express their pleasure and the benefits they received from attending. They felt that they had gained knowledge of the reasons underlying certain ABWA procedures they had had their questions answered, and felt closer to the Headquarters Staff and the National Officers than before.

One had to pause for only a minute and listen to know that firm friendships had been made, that members have looked forward for months to this event, and that it will pay rich returns in increased efficiency in chapter operation, greater pride in chapter accomplishment, and greater participation in ABWA.

I think we were all surprised when Mr. Bufton requested those attending a District Meeting for the first time to stand--and more than half the audience arose. As I checked them off mentally, it was wonderful to think of all of these new friends being added to those we already have in the Southeastern District. Their enthusiasm and interest and dedication are what make our work so satisfying.

How could life possibly be dull with such companions! What a privilege to laugh together as we did over the local member, lately out of the hospital, left parked with a huge flower arrangement on her lap, and whom passersby couldn't decide whether she was the mother of the bride, or a late lamented. Who could fail to respond to the warmth and friendliness of the members of the hostess chapters who

met trains and planes, and provided information and guidance, not only during the meeting, but long after it was over?

The things I've seen are only a fraction of the things which happened. If you were there, tell others of your experience. If you missed this one, plan to attend the National Convention in Tulsa, Oklahoma, the week-end of October 14-16. It's the oil Capital of the world, girls, and with ample lubrication, our tongues will run even faster than usual.

### HOPE IN ACTION

Hope looks for the good in people instead of harping on the worst.

Hope opens doors where despair closes them.

Hope discovers what can be done instead of grumbling about what cannot.

Hope "lights a candle" instead of "cursing the darkness."

Hope regards problems, small or large, as opportunities.

Hope sets big goals and is not frustrated by repeated difficulties or setbacks.

Hope pushes ahead when it would be easy to quit.

Hopes puts up with modest gains, realizing that "the longest journey starts with one step."

Hope is a good loser, because it has the divine assurance of final victory.

Hope draws its power from a deep trust in the basic goodness of mankind.

Hope accepts misunderstandings as the price for serving the greater good of others.
